Education and training

Dates

1995

Title of qualification awarded

MSc. (Ing.)

Principal subjects covered

Electronics and Telecommunications

Thesis: Source of emission for optical communications

Name of organisation providing education

Faculty of electrical Engineering and Computer Science
VSB-Technical University of Ostrava, Czech Republic

Dates

2002

Title of qualification awarded

Ph.D.

Principal subjects covered

Telecommunications

Dissertation: Voice traffic optimization with regard to speech quality in network with VoIP technology

Name of organisation providing education

Faculty of electrical Engineering and Computer Science
VSB-Technical University of Ostrava, Czech Republic

Dates

2009

Title of qualification awarded

assoc. prof. (Doc.)

Principal subjects covered

Electronics and Communication Technology

Habilitation Thesis: Impact of security on speech quality

Name of organisation providing education

Faculty of electrical Engineering and Computer Science
VSB-Technical University of Ostrava, Czech Republic

Dates

2017

Title of qualification awarded

prof., appointment as a professor in Electronics and Communication Technology
